

**REXONEYE**<sup>®</sup>

**DRY EYE SOLUTION**

**DO ANY  
OF THESE SOUND  
FAMILIAR?**

Redness or irritation

A dry, gritty, or burning feeling in your eyes

Watery or overly teary eyes

Mucus that makes your eyes feel "glued shut" in the morning

Blurred vision, especially when reading

**IF YOU RECOGNIZE THESE SYMPTOMS,  
YOU MIGHT HAVE DRY EYE DISEASE**

# What causes Dry eye?

Hormonal changes (e.g., postpartum or menopausal)

Air conditioning or low-humidity environments

Long-term use of contact lenses

Excessive screen time  
(smartphones, computers, or gaming devices)

The natural aging process

Recent eye surgery

Autoimmune conditions  
(e.g., rheumatoid arthritis, lupus, Sjögren's syndrome)

## The Limitations of Eye Drops

While eye drops can provide temporary relief, they often fail to address the root cause of dry eye.

Experience
